

HOTEL VILA LUMBUNG

“Luxury and style within a true Balinese atmosphere.....”

OPERATIONAL PHILOSOPHY

The idea to build the Hotel Vila Lumbung is to find the right place and best accommodation with good taste and an exotic flair. There are many perfect places in Bali, unfortunately, out of most people's price range. Less expensive places are not so perfect, so this is our approach to reach the heights of hospitality and comfort at an affordable price. To make it economically viable, it can't be for friends only but it becomes a place to make a friend too, so feel free to join us.
